	Engine oil level OK	<	×	N/A	
	Hydraulic oil level 0	ок	×	N/A	
	Coolant level OK	~	×	N/A	
	_				

To add a comment, click on the question

Engine oil level OK	✓ × N/A	
Comments		
Hydraulic oil level OK	✓ X N/A	
Comments		
Coolant level OK	✓ × N/A	

STEP 4

To add a photo, click the camera icon at the end of each checklist section

AdBlue level Ol	K	✓ × N/A	
Machine free fr engine, cooling hydraulics, driv		✓ X №/A	
Camera	ERNAL INSPECTIO	ОМ	
Gallery	r is present & n period	✓ × №A	
•	flectors are rviceable (if fitted, out lights must only	✓ × N/A	

Once you have answered all checklist questions, click complete

PRE START - OTHER		
Is this item of plant free from any other safety fault which requires attention, if No then document issue in comments section.	 ✓ × N/A 	
COMPLETE		

Your operational status and pre start report

Once you have completed your pre start inspection, you will be given an operational status.

Green = Machine is right to operate

Orange = Non-critical issues identified, machine is still right to operate but actions are required.

Red = Do NOT operate. Critical issues have been identified and must be actioned immediately.

To share the Pre Start report, click the **Share Pre Start** button. You will have the option to share a link via SMS, email or social apps.

Click on the clock icon to view the machine's Pre Start history

Viewing previous reports

Clicking the Clock icon shows you the history of all pre starts recorded against a machine. Each pre start is time stamped and records the name of the person who conducted the pre start.

To view the report, click the icon in the Result column.
